

Like many of you, we have been paying attention to the COVID-19 health crisis. As the pandemic has continued, we have had to consider what would be best for our campers and staff. Therefore, with great sadness I must inform you that **Camp Grace Bentley is canceling all camp dates for 2020.** While this is very disappointing, we will be back in 2021. While we are closed, we will be working on making camp even better when it reopens. Please check back here for the new camp dates they will be up by January 2021. If you are a new visitor to this website and would like to receive an email when 2021 camp dates or any other updates are posted, please fill out the contact form found under the About Us tab.

Additionally, if you or anyone you know would like to make a donation to support the camp, that information can be found under the Donate tab. Donations will help us continue our mission of serving those with special needs when we return next summer.
