

We are saddened to inform you that Camp Grace Bentley is canceling all camp dates for the 2023 season. We were unable to secure qualified staff for 2023 season. While this is very disappointing, we will be back in 2024. While we are closed, we will be working on making camp even better when it reopens.

For those of you that have all already sent payment for 2023 camp dates we will be contacting you and arranging a refund to either you or the sponsoring organization. If payment is currently in the mail, we will return it to you once we receive it.

Once again, we are very sad that this decision had to be made, but felt it was what we needed to do under the current circumstances. If you need to contact us with any questions or concerns you may reach us through the camp email [Campgracebentley@gmail.com](mailto:Campgracebentley@gmail.com) Please let our campers know that the camp staff will miss them and that we hope to see them next year.

Respectfully,  
The Staff of Camp Grace Bentley
